

BIOGRAPHIE

Marcin Wierzchowski

Born in Warsaw in 1984, Marcin Wierzchowski moved to Germany with his parents at an early age. After leaving school, he worked as a wine and diamond dealer before becoming a decorator, which allowed him to travel widely. He later completed high school, studied philosophy, and joined the film class at the Mainz Academy of Fine Arts. Today, Wierzchowski works as a director and producer, focusing on documentaries while developing his first feature film projects.
